

NOTICE OF DECISION FOR FILM POSTER

Under regulation 32 of the Films, Videos, and Publications Classification Regulations 1994

Title: Too Big For Teens 6
OFLC ref: 1101134.001
Medium: Slick
Distributor: Calvista NZ Ltd
Applicant: Film & Video Labelling Body

Decision: Not Approved

Reasons for decision:

The slick is not approved because it would be likely to be classified as objectionable if submitted under s13(1) of the Films, Videos and Publications Classification Act 1993 as a publication in its own right. The slick is dominated by explicit depictions of sexual activity. Some of the images give the impression that young persons are acceptable sexual partners for adult men and legitimate subjects for adult sexual fantasies. This impression is conveyed through the dress and appearance of several of the young women who are presented as young teenagers. It is sustained by the associated text including the prominent title. As such, the slick tends to promote and support the exploitation of young persons for sexual purposes.
